## Skills

I am a hard-working, detail-orientated and focused creative. I learn fast and I am always willing to learn new skills. I manage time effectively, work well in a fast-paced environment and have excellent communication skills.

I have experience working with teams to brainstorm and can create wireframes at various levels of fidelity. I enjoy prototyping ideas and have experience with building websites from the ground up.

### Software I am familiar with:

Photoshop	Figma
InDesign	WordPress
Illustrator	Klaviyo
Premiere Pro	MailChimp
XD	Microsoft Office
Lightroom	

### Other skills I have include:

Design Research	Marketing
Design Strategy	Branding
User Interface	Illustration
Web Design	Storyboarding
Wireframing	Photography
Prototyping	Photo Editing
Video Editing	Social Media

## Work Experience

### June 2023 - Current

H2O Publishing | Rochester, United Kingdom (Remote)

#### Graphic Designer

- Working in studio with a team of designers to put together various magazines in the food and catering industry. These are B2B magazines.
- Utilizing my abilities in Adobe Suit to create high-quality compelling video material such as social reels for all company events.
- Utilizing extensive knowledge in Adobe Creative Suite, including Photoshop, InDesign, Premiere Pro and Illustrator.

### January 2022 - 2023

Freelance | Stafford, United Kingdom

#### UX/UI & Graphic Designer

- Worked directly with clients to produce appealing and compelling websites that engaged target audiences.
- Utilized extensive knowledge of WordPress, Mailchimp, and Adobe Creative Suite.
- Brought forth advanced experience working with UX/UI and graphic design principles including colour use, typography and more.
- Created designs for different screen types and media platforms.
- Successfully packaged and optimized presentations for ultimate client satisfaction.

### March 2021 - December 2021

Eureka DIY Solutions

#### UI & Graphic Designer

- Developed a strong working knowledge of our client's brand.
- Worked collaboratively with team members to produce work in an efficient manner.
- Remained committed to producing quality content in accordance with deadlines and brand. Worked to ensure that client brand standards were upheld.
- Utilized knowledge of colour, typography, grid systems, and page layout.
- Created various wireframes at various levels of fidelity and designed prototypes for apps and websites using Figma & Adobe XD.

### March 2018 - March 2021

The Imagique Group

#### Creative Lead & Graphic Design Manager

- Design implementation of the "Imagique Group" style and brand across print projects, online advertising, and weekly newsletters.
- Built & maintained various user-friendly websites within the company using extensive knowledge of WordPress and Adobe Suite.
- Created various wireframes and prototypes for internal projects.
- Product photography & video content creation + video editing.
- Social media management & content creation.

### September 2016 - March 2018

EE Publishers

#### Graphic Designer & DTP Operator

- Utilized extensive knowledge of Adobe Creative Suite to create visually compelling magazine layouts and brochure layouts for print.
